

REFUGEE RESETTLEMENT MISSION

NORTH OAKLAND CATHOLIC PARISHES

NOCP Update for Current Refugee Resettlement Mission

Our NOCP committee met with case workers from Samaritas last week to gain a better understanding of our two Congolese Family's needs. Both families are large with several generations living together. Both men are head of households and work full time. They are both enrolled in driver's education. Currently their employer is transporting them to and from work, so the committee is moving forward to find two used vehicles, one for each family.

Baby items are the most pressing need for both families. One family welcomed a baby in February and the other has a baby due in July. There are also other very young children in both families who are in diapers. Below is a sign up genius link that has specific items needed. Car seats are needed for both families. If you simply would like to donate diapers sizes newborn, 3, 4, 5 or 6, baby wipes, laundry soap, or baby shampoo and soap, please drop off at St John Fisher Chapel, Auburn Hills or at Christ the Redeemer, Lake Orion. We are grateful for the continued support in our mission to welcome the stranger.

I was hungry and you gave me food, I was thirsty and you gave me drink, I was a stranger and you welcomed me. (Matthew 25:35)
