

St. Irenaeus Back to School Blessings Summer Collection Part 2:

St. Irenaeus is helping students in need prepare for the fall! We just finished up our collection for CCRT, and now our focus turns to Neighborhood House. Please participate as you feel comfortable—through donations or prayer. Thank you in advance for your generosity!

Back to School Collection! July 17-25

The staff and volunteers at Neighborhood House are busy preparing for their annual back to school event for neighborhood school children from low-income families. St. Irenaeus is supporting their efforts by collecting new:

- **Backpacks**
(for middle and high school students)
- **Highlighters**
(package of 3 or 4 with different colors)
- **Red pens**
(package of 12)
- **Pocket folders**
(solid color, laminated or plastic, no prongs)

The backpacks will be filled with the school supplies that Neighborhood House is gathering, and then handed out along with school clothing to prepare students for a new fall semester. Please return donations to bins in the gathering area from July 17-25. Thank you for your support!
